

## INTERNATIONAL ACKNOWLEDGEMENT CERTIFICATES

UL GREENGUARD Certification informs customers that representative samples of a product have undergone rigorous scientific testing to meet some of the world's most stringent chemical emission requirements - helping to reduce indoor air pollution and the potential for exposure to substances atmospheric chemistry.

CARB - Certification for being exempt of formaldehyde emission. Required in developed countries because it is highly carcinogenic, formaldehyde spends the finished product for more than 20 years.

The mark of responsible forestry

FSC - Certified product with the right to the UN mention being a world example in sustainable management, forest of Triângulo 100% certified.

Lacey Act – Triângulo works in full compliance with the rules of the United States legislation to protect forests, banning the use of illegally sourced wood or other natural resources.
